Matt Heimbach (Redacted PII)

Can't talk , text me .

07:39:59

Redacted PII

Hey Matt . This is Jason Kessler . I'd like to organize another , much larger , event in Charlottesville later this Summer . I wanted to invite you and pick your brain about how to conceive this thing .

07:41:18

Matt Heimbach (Redacted PII)

Sounds great , I'm at work right now , wanna chat tomorrow ?

07:41:56

Redacted PII

Sure. Give me a timeframe that works good for you

07:42:48

Tuesday, May 30, 2017

Matt Heimbach (+Redacted PII)

Sorry, I'm on a call right now .

04:24:38

Redacted PII

Call me back when you get a chance . I want to get your advice about the August 12th event in Charlottesville

04:25:42

Monday, June 05, 2017

Redacted PII

Supposedly the KKK are trying to do a Cville event in July. I think that will hurt the overall pro-white message . Can we convince them to come in plainclothes to the August thing instead ?

08:32:34

Matt Heimbach (Redacted PII)

Lets set the dress code now , khakis and a polo

09:36:14

+1 Redacted PII

First we gotta deal with the Klan issue

09:36:52

Matt Heimbach (Redacted PII)

That's in july

09:39:01

Separate event

09:39:08

The local white knights are morons

09:39:22

Loyal

09:39:26

Redacted PII

10:02:13

Can we convince them to cancel this thing and join us in plainclothes ?

Matt Heimbach Redacted PII

No, the loyal white knights are run by proven federal informant and provocateur, chris barker

10:24:45

The dude has like 30 felony convictions etc

10:24:58

He is not someone to be argued with or talked to , the Klan will rally , look retarded, and do the most stereotypical Hollywood production in july

10:25:36

Tuesday, June 06, 2017

Redacted PII

12:55:02

Is there no way we can get these "Loyal White Knights " to cancel for the greater good of people ?

12:55:52

This is supposed to be Unite the Right , not one small Klan group upstaging for their own self-interest

Matt Heimbach (+1 (301) 525-1474)

No

01:23:33

You're missing what I'm saying , their leader is a multiple convicted felon and a legit proven federal informant

01:24:08

He is a government agent , he wants to hurt us

01:24:33

So no , we're stuck with a hood wearing shitshow 3 weeks ahead of our event

01:25:19

Saturday, June 10, 2017

Matt Heimbach (+1 (301) 525-1474)

Can't talk , text me .

01:55:45

Redacted PII

01:57:06

Derrick told me NSM and some other groups are probably going to attend . Can you help me make sure everyone knows not to bring nazi or klan iconography to the rally ?

Matt Heimbach (+1 (301) 525-1474)

Their insignia now is a rune

02:01:44

Redacted PII

02:25:03

I don't want any swastikas or salutes at the event

02:25:20

It would only harm what everyone else is trying to do

02:25:51

Besides this event is about the Confederacy and should utilize that imagery

Matt Heimbach Redacted PII

There wont be any swastikas from any group I'm affiliated with , i can guarantee that

02:29:41

Redacted PII

02:36:03

Thank you . Derrick told me Keystone United, EWK , GCK and some other groups may be coming . If so make sure the get the message .

Matt Heimbach Redacted PII

Please don't countersignal the Alt -Light in the run-up to the Charlottesville event

10:44:06

Matt Heimbach \attachment 1.JPG

10:44:28

We're working to get them to fall in line

Matt Heimbach Redacted PII

Jason, we're ideologically incompatible with them , but ill keep it down for the sake of the event .

10:58:33

[Redacted PII]

10:59:56

If we make this a pro -white & pro-Southern I think that is a compromise we all can live with

11:00:48

We don't need to get into ideologies and so forth . I'm dragging the Alt -Light people to get down with the pro -white message

Friday, June 16, 2017

Matt Heimbach [Redacted PII]

Sorry man , that was a post a few weeks ago . Ive got a lot of guys in my ranks who are giving me shit over [Redacted PII] being anti WN . If hes onboard, we'll make it work

02:49:05

[Redacted PII]

02:52:29

We're taking him off the poster but he 'll be there explicitly to protect our guys . I will bust his balls in the days leading up to the event so all his guys fall in line

Matt Heimbach [Redacted PII]

Sounds great

12:58:44

Matt Heimbach \attachment 3.JPG

12:59:29

We had him take off the first one because he didnt want to be on it and he's pissed off

Matt Heimbach Redacted PII

War

07:26:10

Sunday, August 13, 2017

Matt Heimbach [Redacted PII]

We literally bled yesterday as y 'all stood behind the barricades safe and sound; and then you 're going to ask for my men to protect you , again, but cut us out of the press conference ? That dog don't hunt

10:47:36

[Redacted PII]

10:50:29

I plan to be standing up for all of us . But the message has to be tightly controlled

Redacted PII

I'll call you right back .

10:51:02

Ok well we're team players , but we won't be disrespected . We're either equal partners or we're not, you decide

10:53:55

Redacted PII

01:11:33

There are people who are going to try to kill me if I don't get some security

Redacted PII

Well, do you want to stand by TWP as partners?

2 things:

1. I want to talk to you about putting together a lawsuit against Charlottesville. I want you & Dr Hill to either be plaintiffs or elect a representative from your organizations so that all of the speakers (who will cooperate) are represented. Time is of the essence on this .

2. I'm going to speak at Charlottesville City Council on Monday . Its could be a big opportunity to call these bastards out and get some media coverage of that. If you have any volunteers that could come as security it would be appreciated .

Matt Heimbach Redacted PII

Sweet, lemme call you tomorrow

It's my understanding that Duke called earlier to compliment you on your speech in DC . I would HIGHLY recommend you call him back and patch things up .

07:40:39

I think everyone would want to hear you on his program and it would be a good opportunity to talk about the fundraiser .
